(as can be found on <http://echa.europa.eu/candidate-list-table>)
Not based upon analysis, but based upon raw material supplier info. Ubiquitous traces cannot be excluded.

*** As from June 1st, 2009 Annex XVII of REACH entered into force. It details "Restrictions on the manufacturing, placing on the market and use of certain dangerous substances, mixtures and articles". All existing restrictions as set out in Directive 76/769/EEC and subsequent amendments have been adopted in a consolidated form in Annex XVII. None of the listed substances have intentionally been used or introduced during the manufacturing of mentioned product range and as such none of these products are in conflict with the restrictions defined in REACH Annex XVII and its amendments.
Not based upon analysis, but based upon raw material supplier info. Ubiquitous traces cannot be excluded.
