

Our Plastic Solutions in Homes & Offices

At the heart of your life

Ravago Manufacturing is a global producer of high-quality plastic compounds including polyolefins, thermoplastic elastomers, rubbers and engineering plastics. We offer both virgin and recycled grades in many polymer types and have extensive knowledge and expertise in the plastics industry. We work together with our customers to deliver solutions for their most demanding application needs.

Office parts

We offer high performance plastic compounds for a wide range of office applications. Our portfolio contains products with a wide range of fillers and additives, making it easy to find the properties required for your specific application. As well as virgin compounds, we also provide recycled compounds for when designing with recycled materials is a priority.

Here are just some of the places you may find Ravago products in your office:

Household parts

We offer high quality plastic compounds that are used in a multitude of household applications. Our portfolio contains products with a wide range of fillers and additives, including flame retardant options, enabling them to offer great performance in many different household components. We provide virgin material as well as recycled compounds for when using recycled materials are of high importance.

Here are just some of the places you may find Ravago products around your home:

Sicoflex® ABS
Extraction hood

Mafill® PP 
Extractor fan part

Enester® PBT
Oven handles

Sicostirolo® PS 
Refrigerator structural parts

Mafill® PP 
Vacuum cleaner nozzle

Enester® PBT
Iron base

Sicoflex® ECO ABS 
Kitchen feet

Scofin® PP
Dining chair shell

Hylon® PA
Oven switches & air duct

Ensoft® SEBS
Refrigerator doorseals

Ensoft® TPE
Wheels

Ravaflex® rubber 
Refrigerator seals

Ravaflex® rubber 
Washing machine seals
